September 21, 2010

To Our Valued Customers:

The October 2010 surcharges are listed below. In line with industry-wide announcements, New Dimension Metals is instituting the following surcharges for the month of October 2010:

Product	Scrap	Manganese	Total
All carbon and alloy grades, including leaded grades:	\$13.50	\$0.35	\$13.85

Additional surcharges for specific alloys include:

	Nickel	Moly	Chrome	Total
40xx:	-	\$3.60	-	\$3.60
41xx:	-	\$2.88	\$0.85	\$3.73
43xx:	\$13.59	\$3.60	\$0.72	\$17.91
86xx:	\$4.10	\$2.88	\$0.45	\$7.43
52100	-	-	\$1.30	\$1.30

These surcharges are effective with shipments October 1, 2010 and apply to all grades, sizes and shapes. The surcharges will be updated on a monthly basis and will apply to all orders. Other grade specific surcharges may apply on some items.

If you have any questions, please call me or your New Dimension Metals representative. Thank you for your business and support.

Best regards,

Michael D. Mulligan
Sales Manager
